- Managed development milestones from initial steps through final delivery.
- Used NodeJS, ORM and SQL/No-SQL to develop and manage databases.
- Created interactive User Interfaces to improve user experience.
- Tuned systems to achieve optimal performance.

Intern

Joseck Consultancy

Feb 2022 - May 2022 (4 months)

- Analyzed problems and worked with a team to develop solutions.
- Explored new technologies and approaches to streamline processes.
- Conducted extensive research for startup company projects.
- Collaborated with senior management on new initiatives to build confidence.

Education

Lux-Tech Academy

React BootCamp, Computer Software Engineering

2022 - 2022

Attended Lux Tech Academy's React bootcamp to deepen my knowledge and skills in ReactJS, a popular JavaScript library for building dynamic web applications. With prior experience in React, I found the program to be an excellent opportunity to advance my understanding of more advanced topics such as Redux, React Router, and Hooks. Through the bootcamp, I gained hands-on experience working on complex projects and received guidance from experienced instructors to help me improve my skills. Overall, the program was an enriching experience that helped me solidify my React knowledge and prepare for more challenging roles in front-end web development.

Holberton School

Computer Software Engineering

Jun 2022 - Jun 2023

Full-stack web development

Skills

Node.js • React.js • JavaScript • TypeScript • Next.js • Tailwind CSS • MongoDB • Express.js •
Git • Postman API
